

Tender Notice

Sir Ketumile Masire Teaching Hospital (SKMTH) is the first quaternary healthcare facility established to address identified gaps in the healthcare industry in Botswana. SKMTH is registered as a company limited by guarantee wholly owned by the Government of Botswana established under the Companies Act Cap 42:01.

SKMTH's mandate is threefold:

- To deliver **patient centered care** for specialized healthcare services, at quaternary level
- To **teach** and facilitate the development of healthcare professionals.
- To invest in and create a conducive environment for **medical research**.

Currently, the Hospital plays a leading role in the management of COVID-19 in Botswana as the high-care referral centre for COVID-19 patients; a feat that is illustrative of the Hospital's commitment and mandate to become a centre of excellence in health care services.
